### Thank you for your interest in becoming a Holiday Angel!

Your generosity is greatly appreciated. When assembling your gift basket we kindly ask you to please:

1. Include a **grocery gift card**. Your family profile will indicate their preferred grocery store.
2. Ensure some wishes are granted for **each family member**.
3. Purchase items **new**. Exceptions can be made for larger items such as household appliances. If you are unsure, please contact [holidayangel@newcircles.ca](mailto:holidayangel@newcircles.ca).

Each recipient family is interviewed, and a Wish List and family profile created. Recipients understand that all wishes cannot always be granted, and families are encouraged to list their top priority items during their interview, so that donors may budget accordingly. Please see the **FAQ & Donor Guidelines** for more information.
